U.S.VETS — PHOENIX
2018-19 IMPACT

Our mission is the successful transition of military veterans and their families through the provision of housing, counseling, career development and comprehensive support.

I think U.S.VETS is awesome, great for veterans to regather themselves and transition back into the community. U.S.VETS has a lot of great programs, but the heart of U.S.VETS is to help veterans get out of homelessness and prepare veterans so they do not become homeless again.”
